

TEXAS EMS CONFERENCE HONORS OGH & OTHER LOCALS

OGH was named, "Trauma Facility of the Year", at the Texas EMS Conference on Tuesday November 21st in Austin, TX. D'Anda Lear (ACNO) and Jyme Kinnard (CNO) represented OGH at the conference and accepted the award. Several other community members and local healthcare providers were honored at the event, because of their efforts during the June 15th tornado.

Chris Stroup was awarded the Texas Department of State Health Services Citizens Award, nominated by Jyme Kinnard. Kinnard said, "Although there were many, many people that responded and offered aid, that night there was one man that stood out to me. As I was outside triaging patients and pointing them in the right direction for treatments, he would appear with someone injured, drop them off, and come back with another. I am unsure of how many he actually brought in. He helped unload other patients from other vehicles, and got people into wheelchairs, and beds. Did anything that he could to help. I did not know who the man was. I just called him the man in the silver truck. Over the next few days, I asked everyone that I knew that I could think of that might have known who he was and was able to get his name and locate him on Facebook. I thanked him, and he responded "You're welcome, I was just doing what anyone should do in a time like that." To me, he was an angel sent to help. He provided much needed support physically while we were waiting for more help to arrive."

Perryton EMS was named the EMS "Provider of the Year."

The Panhandle Regional Advisory Council (RAC) also received RAC of the year award out of 22 other councils across the state.

CLINICAL LAB GRAND OPENING

OGH's Laboratory is finally ready! As a celebration of our remodel and equipment updates we will have a grand opening! During this week we will offer free labs, in lieu of our annual Health Fair.

Beginning at 8 AM on January 8th those who would like to take part need to come to the Lab at the Hospital, complete paperwork, and wait for their turn to have blood drawn. Testing ends daily at 4PM. The last day is January 12th.

Fasting is preferred and OGH will not draw on minors during this time. Results will be mailed within 5 business days of collection. Results will be mailed only to the patient and it is the patient's responsibility to provide the results to their provider. If you do not have a provider, please see the last page of this Newsletter. Tests that will be offered: Complete Blood Count (CBC), Basic Metabolic Panel, Lipid Panel, with Direct LDL, Hemoglobin A1C (Diabetic Patients Only), PSA (For men only), and TSH.

Physician orders will not be included in free labs. For more information or any questions please call 806-435-3606.

CONSTRUCTION CONTINUES AT OGH

Current view of Rural Health Clinic Site

Site plans by Condray Design Group (Clinic Name will change)

Construction at OGH continues throughout the campus. Phase two of parking is underway, which is expanding patient parking and moving the helipad. The next major project is our Rural Health Clinic located at the North end of the Hospital. Plans for the Rural Health clinic are to combine Blasingame Surgical Care, DeWitt Family Practice, Perryton Health Center and our weekend walk-in clinic. The clinic will feature 32 patient rooms and will connect to the north end of the building and allows patients access to the rest of the hospital without going outside.

Each month OGH recognizes one outstanding staff member for their dedication to providing quality healthcare in our community.

Employee of the Month for November is Connie Beltran. Connie is a member of the nursing team at the hospital.

YOUR COWORKERS THINK YOU ROCK!
