

OGH CHRISTMAS CELEBRATIONS

OGH held its annual Christmas Party at the Perryton Expo Center on December 5th. The Smokehouse Restaurant catered a traditional Christmas Dinner with turkey, ham, and all the fixings. Employees were given their work anniversary pins and the Hospital District Holiday contest winners were announced. The OGH Health Information team won first place in the door decorating contest, the Surgery Team won second place, and Jyme Kinnard, CNO, won third. Dr. Childers recognized Alexis Lugo Castellanos for his efforts during the tornado in June.

OGH EMPLOYEES NAME BELTRAN EMPLOYEE OF THE YEAR

OGH employees have the opportunity throughout the year to nominate an Employee of the Month. Employees are nominated by their peers for their contributions to OGH and how “above and beyond” they went in the roles at OGH. In December, before the annual Christmas Party all of the employees can vote from the 12 nominated throughout the year to be chosen as Employee of the Year.

Connie Beltran was chosen as the 2023 Employee of the Year. Connie started working at OGH in September of 2018. She is a Registered Nurse and works in the Emergency Room, Labor & Delivery, and Med-Surg units and is a Charge Nurse. Connie said, “It was such an honor to be chosen as employee of the month in September, but being named Employee of the Year is such a huge achievement for me.” she went on to say, “My favorite thing about OGH is the constant learning and growing as a nurse and working with other departments to care for patients.”

Connie, a Perryton native, received this honor with her husband, Gabriel and her two daughters, Lyndzey and Zayley by her side.

Connie Beltran, RN and Kelly Judice, MHA, BSN, CEO

FLORES CERTIFIED SPANISH INTERPRETER

Maggie Flores

Chilcote General Hospital is proud to announce that Maggie Flores is now certified by the National Board of Medical Interpretation CMI in Spanish. Maggie has worked at OGH for 23 years and is a member of the Health Information team. We are so grateful to Maggie for her diligence in providing this service to our Hospital District.

According to the National Board of Medical Interpretation’s website, the benefits of Flores’ certification for a Medical Interpreter are: Protection- reduces liability issues due to incompetent interpreting. Verification- reduces the length of time it takes to validate candidates’ qualifications and prevents administrative testing costs of recruitment of interpreters. Cost savings- proper communication reduces unnecessary readmissions and visits to the emergency room. Patronage- patients build loyalty with organizations that meet their needs and provide linguistic and culturally appropriate services.
